

Write a novel in 10 minutes a day (Teach Yourself)

Would you like to write but have no spare time? The Ten-Minute Novel will help you sculpt a full-length piece of creative writing in just ten minutes a day. Starting with a daily practical exercise, it will help you manage your writing schedule within this time frame and help you bring your novel to life. You will be able to clarify your vision and review your time commitments, as well as understand your own abilities. Learning to observe the world around you, write quickly and tap into your unique voice will help you to create all the elements of your story and, by the time you've finished all the exercises, you'll have created something beautiful.
