

Absolutely Perhaps (Modern Plays)

A brand new adaptation of Pirandello's first play. No one has ever seen Signor Ponzas wife and her mother, Signora Frola together. Also, the neighbours have become suspicious because Signora Ponza never leaves her home and start asking questions. Ponza claims that this wife is really his second wife, the first having died in an earthquake that destroyed all records. Meanwhile his wife only pretends to be Signora Frola's daughter to humour Signora Frola, who, he claims, is insane. Thoroughly bewildered, Agazzi demands to meet Ponzas wife, who arrives heavily veiled proclaiming herself as both the daughter of Signora Frola and the second wife of Signor Ponza. Absolutely! {Perhaps} is brilliant comedy on the elusive nature of identity and reality and, like all of Pirandello's work, shows truth as subjective and relative and drama itself a mystery. Absolutely! {Perhaps} is published to coincide with the production at London's Wyndham's theatre starring Joan Plowright and directed by Franco Zeffirelli.
