

eBooks and Tree Books; How to Sell Them: The Ultimate Online and Offline Guide

Most of the tips and process in this guide are used on a daily basis by successful authors and publishers. Because of the internet, we are in a position to reach and touch millions of readers across the globe and if you can grasp the basics and use them regularly then you will sell your books. Marketing is a relentless but essential part of publishing. To be successful, you need to set aside time every working day to update your profile, assess reviews, social network and monitor sales and promotions. This book explains in detail how to do so.
