

Seaside Secrets (Dune House Cozy Mystery Series Book 1)

Suzie Allen gets a call to inform her that her estranged Uncle Harry has passed away and has unexpectedly left her Dune House, a beautiful house on the beach that was once a Bed and Breakfast. With her best friend, Mary, going through a messy divorce, the two decide to get away and go to the small town of Garber to see the house. Despite the stunning setting, the house has been neglected for years and is in a terrible state of disrepair. Suzie and Mary make the decision to refurbish the house together. But then, Suzie and Mary start finding evidence that maybe Uncle Harry didn't die of natural causes. Suzie's investigative background as a journalist takes over and the ladies go on a search to discover what secrets the house holds. Will these secrets reveal a dark side to Suzie's strange cousin, Jason? Was the decision to refurbish Dune House the worst mistake of their lives? Or is this the beginning of an exciting new chapter?
