

Luthers Works Voume 67 (Matthew 1-18) (Luthers Works (Concordia))

About this Volume: This translation of Annotations on Some Chapters of Matthew (1538) and Sermons on Matthew (1537-40) gives Luther's mature, reformational insights on the first Gospel. About the Series: The twenty planned new volumes are intended to reflect both modern and sixteenth-century interests and to expand the coverage of genres underrepresented in the existing volumes, such as Luther's sermons and disputations. The primary basis for the translation is the comprehensive Weimar edition. This new series should delight scholars as well as engage laity and clergy. - Mark U. Edwards, Jr., Academic Dean, Harvard Divinity School Provides a tremendous service to historians, theologians, pastors, and students. - Amy Nelson Burnett, Professor of History, University of Nebraska Lincoln Edited according to the highest academic standards. - Robert Kolb, Emeritus Missions Professor of Systematic Theology, Concordia Seminary, Saint Louis
