

## Blood of the Underworld

You told me I would inspire fear from the shadows, yet you would be the light to banish all shadows. You still can. Be stronger than them. Be stronger than any of us. Prove to Veldaren that you can stand against the darkness, without mask or cloak, and live.---Haern is the Kings Watcher, born an assassin only to become the city of Veldarens protector against the thief guilds. When Lord Victor Kane attacks the city, determined to stamp out the thief guilds in revenge for past crimes, foreign guilds pour into the city to take advantage of the chaos in an attempt to overthrow the current lords of the underworld. And when a mysterious killer known as the Widow begins mutilating thieves, paranoia spreads until it engulfs the city. Haern knows someone is behind the turmoil, pulling strings, and if he doesnt find out who, and soon, his beloved city will burn.---About the Author: David Dalglish currently lives in rural Missouri with his wife Samantha, daughter Morgan, and the soon-to-be-born baby Katherine. He graduated from Missouri Southern State University in 2006 with a degree in Mathematics and currently spends his free time playing way too much Warhammer 40k.
