

## A Dance of Chaos: Book 6 of Shadowdance

Fear comes in the hands of prophets . . . The final instalment of the Shadowdance series finds Haern the Watcher returning to his beloved city of Veldaren, only to find it has collapsed into chaos. The Sun Guild has conquered the former thief guilds, destroying the peace Haern fought so hard to obtain. The Trifect is their next target, and Alyssa Gemcroft must reach out to whatever allies she can find, even if it means casting aside longtime friends. As the chaos grows, so does the power of the dark god Karak, who lays siege to Veldaren. If the city falls, the world will suffer . . . Father or son; some choices must be made in blood. Bestselling fantasy author David Dalglish spins a tale of retribution and darkness, and an underworld reaching for ultimate power, in this final, never-before-released novel of the Shadowdance series.
