

The Wishful Penny, A Book and CD Set (Moms Choice Award-Winner)

Have you ever wished on a coin? Have you ever held a coin and wondered... who held it before me? Travel through time with one 1943 LINCOLN CENT, and you will never look at a penny lying on the ground the same way again! After wishing on Penny, Mr. Pup, the ice cream man, tosses her into a fountain. Penny hopes to make his wish come true. When she joins a coin collection inside a safe in Ireland, Penny tells the exotic coins about Mr. Pups secret wish. From the shadows, Massa, the oldest coin in the safe, whispers... See the wish, and the wish will come true! What does that mean? It takes an ice cream truck, a cupful of free pennies, math homework, a magnet, and a mistake to reveal the surprising truth about Penny s real worth and the power of wishing! The Wishful Penny chapter book is leveled for 4th grade reading! Inside the back cover is Jennys Penny, the musical version on CD. Complete with scene highlights, Jennys Penny was written by award-winning composer, January Akselrad!
