

## Herald of Death (A Special Pennyfoot Hotel Myst)

The landscape of the Pennyfoot is covered with splashes of rich reds and greens for the holidays. That should not include blood. However, a killer is on the loose, bent on ending some residents good times. The Christmas Angel is a welcome sight during the winter season but not this year. A killer is afoot in Badgers End, cutting a lock of hair from the victims and sticking a gold angel on their foreheads. Cecily Sinclair Baxter already promised her husband that she'd take a hiatus from sleuthing. But three killings have created a blizzard of bad publicity and guests are canceling their hotel reservations. Cecily pokes around, but the victims seem unrelated. Then the killer claims a fourth and fifth victim, obviously not slowing down for the holidays so neither will Cecily. She will have to stop the angel of death from striking again, leaving murder under the tree.
