

Gemini Rising (Mischievous Malamute Series, Book 1)

There's a body in your alley... Arianna Jackson - AJ to her friends - and her occasionally well-behaved Alaskan Malamute, Nichol, live anormal, uneventful, admittedly mundane existence, where nothing out of the ordinary ever happens. Until it does. Early one morning, AJ stumbles upon a horrifying scene - a girl's body lies broken in the dumpster behind her home, her face beaten and mutilated. A secret reveals you're living a lie... As if that weren't enough, toupset the balance of normal, things go from bad to worse when she learns of her connection to the murdered girl. Suddenly, AJ realizes her entire life has been filled with secrets and lies. A killer hunts for you... Together with her trusty sidekick, Nichol, and BFF, Leah, AJ must search for answers. But can she, when finding the truth proves to be more deadly than living the lie? Would you search for the truth if you knew it could kill you? Join AJ and her pals as they race to unravel the mystery of her past, where the pieces of the puzzle bring more questions than answers and the only certainty is the killer's end game - AJ's life. Find your truth... Grab your copy of Gemini Rising and join others who've enjoyed this suspense-filled page-turner that keeps you guessing to the end... and beyond. NOTE: Version 2.0 released December 2013 (includes new cover)
