

Soul Friends: What Every Woman Needs to Grow in Her Faith

Are you missing out on one of the most transforming means to a deeper and more vibrant faith? In *Soul Friends*, Dr. Leslie Parrott explores the intimate stages of a woman's spiritual journey while showing you how Soul Friendships can deepen and enlarge your faith. God brings us soul-friends to help in our spiritual journey, sometimes in predictable places: small groups, friendships, and mentors. But they're sometimes found in places we don't expect - these hidden guides are people, past or present, whose role in our life may even be hidden from them, but nevertheless, have a deep impact on our growth and vitality. Whether it's a hidden guide, a member of a small group, or a friend we've had for years, these soul-friends all hold the potential to embody grace that enables us to take a next step in the unfolding journey of our faith. Leslie reveals how every woman traverses four stages of spiritual growth - quest, calling, crisis, and communion - again and again. And whatever stage you find yourself traveling right now, you need Soul Friends to help you move forward. When we seize the initiative to connect, together we will form a part of the deep communion that is the sisterhood of the traveling saints, journeying together in our desire to know God, serve him, and love him more deeply. Through story, poem, and reflection, Leslie Parrott reminds each of us of the incredibly intimate, intricate, faith-forming work God does in us through the gift of the women he places in our lives.
