

Soul Revolution: How Imperfect People Become All God Intended

You've heard it all before. The promises for a better life get tiresome after awhile, because you know they don't deliver. However, they do touch on a profound and inescapable truth. You were created to live your life out of a rewarding, richly textured relationship with God and others - and deep down, you long to experience that kind of life. But how? Are you willing to devote sixty days to finding out? Soul Revolution may be one of the most important books you'll ever read. In it, author and pastor John Burke guides you on a journey of experiential discovery. Called the 60-60 Experiment, it has already made a profound impact on thousands who have discovered what it means to actually do life with God.
