

St. Paul to the Corinthians: Ignatius Study Bible (Ignatius Catholic Study Bible)

The First And Second Letters Of Saint Paul To The Corinthians The Ignatius Catholic Study Bible Commentary by Scott Hahn & Curtis Mitch Based on the Revised Standard Version - Catholic Edition, this volume leads readers through a penetrating study of Saint Paul's Letters to the Corinthians, using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights by renowned Bible teachers Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. These helpful study notes make explicit what Acts often assumes. They provide rich historical, cultural, or theological information pertinent to each Letter. The Ignatius Study Bible also includes Topical Essays, Word Studies and Charts. Each page also includes an easy-to-use Cross-Reference Section. Study Questions are provided for each chapter of the two Letters to the Corinthians that can deepen your personal study of God's Holy Word. There is also an introductory essay covering questions of authorship, date, destination, structure and themes. Outlines of the Letters and a map are also included. Once a generation a truly unique Bible tool is given to the Church. The Ignatius Study Bible is a gift for our generation. This is the most important book since the Catechism of the Catholic Church. Every parish study group and every student of Sacred Scripture should own and use this Bible. David Currie, Author, Born Fundamentalist, Born Again Catholic
