

## Steam and Sorcery (Blood and Gold: Book Three 3)

Captive of the Brotherhood Now you understand the rules of this particular engagement, Samuel said with great and exaggerated casualness. If you obey, all is well. I locked eyes with Kate over the feast of food, mouth dry as dust. And if I resist? Great tears welled in my friends eyes, her head dropping as she covered her face with her hands. Why, Samuel said with false surprise, I would think that was obvious. If you resist in any way, dear Kate dies. Things cant possibly be any worse for Auburdeen Hayle. What began as a quiet trip for her own protection has turned into a nightmare of capture and escape. Taken by the Brotherhood of Atum and infected with living metal, Burdie is to be used as a weapon to start a war between magic users and the common man. Meanwhile, she battles to combine her witchcraft with the sorcery that has been woken inside her, both of which fight for control. If she cant bring balance to her magic, she could very well be lost forever.
