

Study Guide for Baumeister/Bushmans Social Psychology and Human Nature

Each chapter of the STUDY GUIDE includes a review, a test, suggested readings, and an answer key. Each chapter review is organized around the major sections of the chapter and includes a Snapshot that provides an overview of that particular section; Learning Objectives, statements that explain what a student should be able to understand or be able to do after mastering that section; Understanding the Terminology matching exercises based on the key terms for that section; and a brief Summary formatted as a fill-in-the blank exercise. Each chapter test covers all the major sections of the chapter and includes 20 multiple-choice questions, 10 true-false questions, and 3 short essay questions. The suggested readings present 5 to 10 additional resources that students can read for additional information.
