

Suicide Prevention [June Hunt Hope for the Heart]: Hope When Life Seems Hopeless

I just want to die. This is the most desperate cry of the heart, a sorrowful signal that a soul is on the brink of devastating despair. Each year over a million people around the world succumb to the weight of their burden by taking their own life. God's love for every person who He created is immeasurable. He longs for the desperate to turn to Him with every wound of discouragement. God can turn anguish into assurance, despondency into deliverance, and heaviness into hope with a renewed understanding of His marvelous plan.
