

Summary of One Nation: by Ben Carson and Candy Carson Includes Analysis

PLEASE NOTE: This is a summary of the book and NOT the original book. One Nation by Ben Carson M.D and Candy Carson - A 30-minute Summary Inside this Instaread Summary: Overview of the entire book Introduction to the Important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Readers Perspective Preview of this summary: Chapter 1 To secure the future for the next generation, Americans need to take quick, decisive, and prayerful action. Problems facing the U.S. today include: lack of education, bigotry, elitism, moral issues that have divided the people, and financial issues. The nations leaders need to return to morality, common sense, and manners in order to work together and find solutions. Individuals should educate themselves and their children, hold their political officials accountable, learn how to compromise, and pray for wisdom. Bullying seems to be on the rise in the nations schools. Children are learning to be bullies by watching the adults in their lives. In order to put an end to the bullying problem in the schools, adults need to set a good example by working harder to see things from the other persons perspective, ignoring the rules of political correctness, and engaging in intelligent discussions. In addition to common sense and manners, people need to be educated. A good education gives a person power. Courage is also required to stand up to secular progressives and other bad influences who want to lead the U.S. away from the values set up by the founding fathers in the Constitution. If individuals take action on their own, collectively they can pass on to the next generation a country they can be proud of....
