

Insights on Mark (Swindolls Living Insights New Testament Commentary)

Marks Gospel is fast-paced and action-packed. In this volume, Chuck unpacks both Jesus story and how Mark wants his readers to see themselves in this story. From beginning to end, we will see the Master preparing His disciples and then propelling them forward to encounter challenges they felt ill-prepared to meet. The 15-volume Swindolls Living Insights New Testament Commentary series draws on Gold Medallion Awardwinner Chuck Swindolls 50 years of experience with studying and preaching Gods Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring Gods Word.
