

Vote To Win

As voters, we choose the people who harness us to yokes, deny us freedom, shelter, employment, let burst sewer pipes run into our drinking water and make paupers of our lives. We are accountable. We are to blame. We elect those people, and look helplessly while they strip us of all humanity. It is time to take back our power and use it to our advantage. Your vote is that POWER! Your vote is ENDORSEMENT. Elect office bearers who care - and deliver. Mandate people who can be trusted and held accountable. Your vote is the power necessary to effect these changes. Do something now, watch and experience your life get better and what is best, KNOW that it is YOU who made that happen, yes YOU!
