

## The Inner Chamber & The Inner Life (Annotated)

The Inner Chamber suggests thoughts of the utmost importance. The daily need of retirement and quiet; the true Spirit of prayer; the Devotional reading of Gods Word; the Fellowship with God for which these are meant and by which alone they bring a blessing; the Spiritual Life which they are meant to strengthen and fit for daily duty in intercourse with the world; the Service for the Kingdom of God in Soul-winning and Intercession all these truths have their share in making our devotions a source of joy and of strength. In this little book I have not attempted to take them up systematically, but I hope that the fragments I have given may bring help to some in the cultivation of the hidden life and its inter-course with God.
