

Tess Touchstone Topical Study (Seekers (Augsburg Fortress))

The Seekers ski trip is just around the corner, and Tess doesn't know if she can learn how to ski. But her Grandma always finds a way to make her feel like she can do anything - cross-stitch, swing a baseball bat, write a poem, look Ben in the eye. When Grandma's health takes a turn for the worse, Tess feels her self-confidence, her positive attitude, and - - worst of all - her Grandma, her very best friend in the world, slipping away from her. How can Tess face the possibility of her Grandma's death?
