This book has so many cyclist jokes, you wont know where to start. For example: Why do cyclist s wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** A cyclist and his wife were sitting around the breakfast table one lazy Sunday morning. The Cyclist turned to his wife and said: When I die, I want you to sell all my stuff. Why would you want me to do that?, asked his wife. I figure that youll eventually remarry, and I dont want some asshole using my stuff, replied the cyclist. The cyclists spouse said: What makes you think Id marry another asshole? *** Did you hear about the cyclist who wore two jackets when he painted his house? The instructions on the can said: Put on two coats. *** Why do cyclists laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
