

## The Black Path: A Rebecka Martinsson Investigation

A woman's body is found on a frozen lake, bearing the marks of grisly torture. Inspector Anna-Maria Mella knows she needs help with the case - the woman was a key player in a mining company whose tentacles reach across the globe. Lawyer Rebecka Martinsson is desperate to get back to work, to feel alive again after a case that almost destroyed her both physically and emotionally. Soon she is delving into the affairs of the victim's boss, the founder of Kallis Mining, whose relationship with the dead woman was complex and obsessive. Martinsson and Mella are about to uncover a dark and tangled drama of family secrets, twisted sexuality, and corruption on a massive scale. Set against a haunting, icy backdrop and packed with suspense, *The Black Path* is a menacing and evocative psychological crime novel.
