

Boys : The Story of 732 Young Concentration Camp Survivors

They called themselves The Boys although there were a few women in the 732 teens (some as young as 12 years old). They came from Poland and Hungary, from the working poor and the well-to-do but they all shared one common bond: they were the remnant, among the very few Jews to survive the Nazi death camps, this is their stories. It is a story about coming out of hell, about great evil, and about the great triumph of the human spirit. A book of horror that will sicken you with mans cruelty to his fellow man but it is also a book that will leave you with hope, and admiration, truly a fascinating story.
