LONG: From the road to Damascus to the sun-drenched lands of modern-day Greece and Turkey to a Roman prison, go with Adam Hamilton as he follows the journeys of Paul in this six-week DVD study about Christianity's greatest teacher and missionary. You'll see exactly where some of the most dramatic events in the spread of Christianity took place, and through Hamilton's insightful and colorful teaching style, you'll quite probably likely gain a better understanding of Paul's missionary travels than if you had covered the many miles in person. The Call is a complete churchwide program with study components for adult, youth, and children's ministries. In addition to the DVD, a Leader Guide featuring flexible format options is available to make the study meaningful for any size group. The Children's Leader Guide contains session ideas for younger and older children, including games, activities, craft ideas, and reproducible handouts.
