

The Case for Christ: A Six-Session Investigation of the Evidence for Jesus

In this six-session small group Bible study DVD, The Case for Christ, Lee Strobel uses his experience as a reporter for the Chicago Tribune to interview experts about the evidence for Christ from the fields of science, philosophy, and history. Teacher? Revolutionary? Messiah? Son of God? Who is Jesus of Nazareth? In the award-winning book *The Case for Christ*, Lee Strobel uses his experience as a tough-minded reporter to investigate history's most controversial figure. Skeptics dismiss the Jesus of the Gospels by claiming there is no evidence in the case for Christ. Lee Strobel disagrees. The former legal journalist and one-time atheist knows how to ask tough questions. His own search for the truth about Jesus led him to faith in Christ. Now Strobel invites you to retrace with him the steps in that journey. Using this DVD, along with the six-session companion Participant Guide (sold separately) you will follow Strobel on a quest for the truth about Jesus. Rejecting easy answers, you will sift through fascinating historical evidence as you weigh expert testimony. In the end, you may very well see Jesus in a compelling new way -- and, like Strobel, find your life transformed. Knowing that the credibility of any story hinges on solid facts, Strobel challenges scholars to back up their opinions with compelling evidence and cogent arguments in order to put the case for Christ to the test. Sessions include: 1. The Investigation of a Lifetime 2. Eyewitness Evidence 3. Evidence Outside of the Bible 4. Analyzing Jesus 5. Evidence for the Resurrection 6. Reaching the Verdict
