

The Case of the Most Ancient Bone (Hank the Cowdog Book 50)

This is no ordinary, run-of-the-mill ranch intrigue. No sir, this is a real, honest-to-goodness archaeological adventure! When an old friend of Slims starts an archaeological dig near the ranch, it doesnt take long before little Alfred gets caught up in the excitement. And once Alfred manages to get himself invited to the dig, it isnt long before Hank follows. Hank finds himself face-to-face with the most ancient of bones--a huge bison bone that Hank just knows has been aged to delicious perfection. Hank should be protecting the bone, but can he keep his doggie instincts at bay and uphold his position? Will the most ancient of bones get the best of Hank? Hank and Little Alfred sing The Lemonade Song, and while broiling in the summer heat, Hank sings Im Burning Up!
