

The Cat, the Quilt and the Corpse (Cats in Trouble Mysteries)

Recently widowed Jillian Hart is rebuilding a life for herself -- and her three beloved cats Chablis, Syrah, and Merlot -- as a quilter in a small South Carolina town. The quilts she makes are for cats as smart, special, and sweet as her own, and business is thriving. But when she returns from an overnight quilting show, she discovers that someone has broken into her house. When she realizes her Abyssinian Syrah is missing, Jillian suspects catnapping.
