

The Best of Mary Roberts Rinehart: 23 Novels and Short Stories (Unexpurgated Edition) (Halcyon Classics)

This Halcyon Classics ebook collection includes twenty-three novels and stories by Mary Roberts Rinehart, often called the American Agatha Christie. Rinehart is probably the source of the phrase The butler did it, although she did not actually use this exact phrase in her writings. Rinehart originated the Had-I-But-Known school of mystery writing in her first book, THE CIRCULAR STAIRCASE. Other noteworthy mysteries include THE BAT and THE CASE OF JENNIE BRICE. This ebook is DRM free and includes an active table of contents for easy navigation. Contents: The Circular Staircase, The Window at the White Cat, When a Man Marries, Where There's a Will, The Case of Jennie Brice, The Street of Seven Stars, The After House, KBab, A Sub-Deb, Long Live the King, The Amazing Interlude, Dangerous Days, A Poor Wise Man, The Bat, The Breaking Point, The Truce of God, Tish, More Tish, Affinities and Other Stories, Love Stories, Sight Unseen, The Confession, The Man in the Lower Ten. This unexpurgated edition contains the complete text, with minor errors and omissions corrected.
