

The Five Love Languages: Library Edition

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouses primary love languagequality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with specific, simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. This beautiful leather edition is the perfect gift for weddings, holidays, or any special occasion. Includes a promotional code to gain exclusive online access to the new comprehensive love languages assessment.
