

The Goon Show, Volume 14: Needle Nardle Noo

Goon but not forgotten. From 1952 to 1960 the Goons ruled the airwaves, the most celebrated and influential clowns in the history of radio. GO ON, break out with Childe Harolde (37-years-old and still in his pram) and get on to the Marrakesh trail with Lord Seagoon and the mystery of the missing Gold Plate. Or join soggy Squire Seagoon as he gets bogged down in Queen Annes Rain and thrill to the heroics of 5th Lt. Seagoon at the battle of Spion Kop (intelligence has established that the people who are attacking him are the enemy). Yes folks, its the Goons at war and peace; four more classics of cult muttery from those wireless wizards Peter Sellers, Spike Milligan, and Harry Secombe. And why has Neddie deserted his post? Its got woodworm, Jim.
