

The Handbook of Emotional Intelligence: The Theory and Practice of Development, Evaluation, Education, and Application--at Home, School, and in the Workplace

Building on nearly eighty years of scientific work, The Handbook of Emotional Intelligence is the first definitive resource that brings together a stellar panel of academics, researchers, and practitioners, in the field. Sweeping in scope, the text presents information on the most important conceptual models, reviews and evaluates the most valid and reliable methods for assessing emotional intelligence, and offers specific guidelines for applying the principles of Emotional Intelligence in a variety of settings.
