Now, he may have returned, and only one woman can stop him but can she solve the case without revealing a terrible secret that links her to the original murders? **Pray for Silence** In the quiet town of Painters Mill an Amish family of seven has been found slaughtered on their farm. Police chief Kate Burkholder and her small force have few clues, no motive, and no suspect. **Breaking Silence** What appears to be a gruesome accident that left three people dead turns more sinister when evidence of foul play emerge. Together with agent John Tomasetti, Kate searches for answers and uncovers a dark secret at work beneath the placid surface of this idyllic Amish community.
