In the 1870s Tolstoy experienced a profound moral crisis, followed by what he regarded as an equally profound spiritual awakening, as outlined in his non-fiction work A Confession. His literal interpretation of the ethical teachings of Jesus, centering on the Sermon on the Mount, caused him to become a fervent Christian anarchist and pacifist. Tolstoy's ideas on nonviolent resistance, expressed in such works as The Kingdom of God Is Within You, were to have a profound impact on such pivotal 20th-century figures as Mohandas Gandhi, Martin Luther King, Jr., and James Bevel. In this treatise Tolstoy explains that he feels that the Church's doctrines are mistaken because they have made a perversion of Christ's true teaching. He then goes on to explain what those teachings are and how one can become a true Christian in this war-prone world. The title of the book is taken from Luke 17:21. In the book Tolstoy speaks of the principle of nonviolent resistance when confronted by violence, as taught by Jesus Christ. When Christ says to turn the other cheek, Tolstoy asserts that Christ means to abolish violence, even the defensive kind, and to give up revenge. Tolstoy rejects the interpretation of Roman and medieval scholars who attempted to limit its scope. How can you kill people, when it is written in God's commandment: Thou shalt not murder? Tolstoy took the viewpoint that all governments who waged war are an affront to Christian principles.
