

The Last Great Revolution: Turmoil and Transformation in Iran

Robin Wright has reported from over 120 countries for many leading news organizations, but her perceptive coverage of Iran has garnered her the most respect and praise among her colleagues. In *The Last Great Revolution*, Wright meticulously describes the ongoing transformation of society, politics and religion that ranges from the empowerment of women to the blossoming of a movie industry and an independent press. She demonstrates why Iran's Islamic revolution equals the French and Russian revolutions in new ideas and impact, while standing alone as the last great revolution of the modern era.
