

The Miracle of Christmas

In bestselling author Stormie Omartian's joyous tribute to the birth of Jesus, the events surrounding a baby born long ago in a stable come to life in stories the whole family will love. Stormie gives the reader a warm and personal look at the age-old story of Christ's birth. Each story provides an inviting glimpse of possible reactions, perceptions, and actions of the characters, and at the end of the chapter, Stormie provides a prayer for a modern-day audience that powerfully connects readers to the heart of a loving and compassionate Savior. The result is a wondrous retelling of the miraculous story that remains as tender and powerful as it was when the angel choir first sang it to an audience of humble shepherds. Glory to God in the highest, and on earth peace, goodwill toward men!
