

# The Most Important Thing You'll Ever Study: A Survey of the Bible - Old Testament - Volumes 1 & 2

The Bible is often weakly emphasized or even neglected in the education of our children. However, author Starr Meade contends that God's Word is the most important thing a Christian will ever study. This study series is designed to summarize the message of the Bible, encouraging middle and high school students to explore God's Word for themselves. In this two-volume survey of the Old Testament, Meade leads young teens through the story of creation and God's promises to ancient Israel, teaching students about important themes such as God's role as the main character in his own story, the fulfillment of the promises of God, and the relationship between Scripture's divine inspiration and human authorship.
