This is Volume 1 of 2-Volume Set.

To purchase the complete set, you will need to order the other volumes separately: to find them, search for the following ISBNs: 9781427087775 Economic hit men (EHMs) are highly paid professionals who cheat countries around the globe out of trillions of dollars. They funnel money from the World Bank, the U.S. Agency for International Development (USAID), and other foreign aid organizations into the coffers of huge corporations and the pockets of a few wealthy families who control the planet's natural resources. Their tools include fraudulent financial reports, rigged elections, payoffs, extortion, sex, and murder. They play a game as old as empire, but one that has taken on new and terrifying dimensions during this time of globalization. To find more titles in your Large Print or Super Large Print format, Search in Books using EasyRead and the size of the font that makes reading easier and more enjoyable for you.
