

The Novel-Writers Toolkit: Your Ultimate Guide to Writing and Publishing a Successful Novel

Novel writing is a popular hobby and this book will provide the would-be and starter novelist with all the tools needed to get started. This title includes a thorough grounding in essential fiction writing skills and clear guidance on how to get published from top industry names. It provides a complete glossary of terms and listing of all publishing contacts needed by an author, from book publishers and agents to festivals and online links. It includes tremendous resource of instruction and information that will prove invaluable to the armies of would-be and practising novel writers.
