

The Orlando Mass Casualty Event: A False Flag Drama, Atrocity, or Hybrid?

NEW: Updated to document a total of 70 anomalies documented with 166 linked endnotes and to include as an appendix the letter sent via certified mail to FBI Director James Comey with a copy of the chapter in draft form. - - - I have executed a false flag operation no one died for the Central Intelligence Agency (CIA). The term false flag means nothing more or less than not what it seems. The FBI, our final line of defense against domestic treason or foreign covert operations on US soil, appears to have sacrificed its integrity and turned false flag terrorism into a budget-building campaign. - - - Bottom Line Up Front: Orlando was a false flag planned months in advance by the Obama-Biden Administration, and in my judgment, specifically by the Federal Emergency Management Agency (FEMA) within the Department of Homeland Security (DHS), with the full complicity in advance of the Federal Bureau of Investigation (FBI). Among the key indicators I list seventy (70) of them with linked documentation in this publication are these: 01 Omar Mateen did not expect to die he was booked to fly on the 14th 02 Mateen has been groomed since 2011, probably by the Mossad pretending to be CIA, and including two upper-end trips to Saudi Arabia and beyond. 03 The responding police were ordered not to go after him inside the club 04 All medical matters are ludicrous, undocumented, an impossibility 05 All witnesses appear to be scripted, less the laughing winking cop 06 Three musical follow-ups were clearly developed in advance of the day 07 The event started at closing time; 7 of the 8 exits were not used. 08 All audio-visual evidence has been eradicated nothing from the CCTVs in the club (over eight of them), nothing from individual cell phones, nothing from Mateens u nscripted calls to his handler during the 3 hour stand-down, nothing from police scanner traffic during the entire
