

The Poetical Works of John Dryden, Vol. 1 (Classic Reprint)

Excerpt from The Poetical Works of John Dryden, Vol. 1 A. Wood says, that John Dryden was a schoolmaster, and that the great Erasmus stood godfather for one of his sons. He appears to have been a puritan; in his will, he bequeaths his soul to his Creator, with this singular expression, The holy Ghost assuring my spirit that I am the elect of God. These puritanical principles descended to his family. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
