

The Super Gene 2 (Battle Cards) (The Social Workshop)

Description The Super Gene 2 The Social Workshop Battle Cards was created to turn an ordinary deck of playing cards into a brand new and exciting game that people of all ages can enjoy. Allow yourself to be drawn into the fantasy world we've created and battle against friend and foe alike. Playing the game is easy. All you need is one deck of playing cards and this instructional manual. Choose exciting pre-made characters, or use your imagination to create your own characters, each with their own bonuses and penalties, special attacks and devastating spells. Collect the spoils of war with each win and start that quest to become the paragon of a true warrior. Not everyone has what it takes to reach those lofty heights. Do you? In The Super Gene, a rogue scientist has broken a restricted test subject out into the world. This new hero must dodge and disarm a wide assortment of enemies if he hopes to continue to exist in the world. The military wants him back. Criminals want him dead. Does the scientist have a plan or is it all over before it even began? Whose side will you take? Will you enforce the law blindly and without question? Or will you stand up for your beliefs and push back against your government? This standalone expansion includes 4 new bonus characters and ups the play count to a minimum of 2 players and a maximum of 8 players. It is not required to purchase the original game as this updated manual contains the full version of the game. Number of Players: 2 - 8 Estimated Playing Time: 45 Minutes
