

The Two Covenants

The Two Covenants establishes the foundation of the Christian faith comparing the Old Covenant with the New answering many of the questions that continually arise within the church. The Two Covenants is full of the Life of Jesus and how that Life is given to us. This book is a humble attempt to show what exactly the blessings are that God has covenanted to bestow on us; what the assurance is the Covenant gives that they must, and can, and will be fulfilled; what the hold on God Himself is which it thus gives us; and what the conditions are for the full and continual experience of its blessings. I feel confident that if I can lead any to listen to what God has to say to them of His Covenant, and to deal with Him as a Covenant God, it will bring them strength and joy. Read The Two Covenants with Bible in hand and it will help you to believe and yield to the power of God and enter into a greater fullness in the Christian walk. Andrew Murray was a South African writer, teacher, and Christian pastor. Murray considered missions to be the chief end of the church. He was one of the founders of the South African General Mission (SAGM) later becoming the Africa Evangelical Fellowship (AEF) in 1965.
