

Halloween Party

The Queen of Mystery has come to Harper Collins! Agatha Christie, the acknowledged mistress of suspense creator of indomitable sleuth Miss Marple, meticulous Belgian detective Hercule Poirot, and so many other unforgettable characters brings her entire oeuvre of ingenious whodunits, locked room mysteries, and perplexing puzzles to audio. When a Halloween party turns deadly, it falls to Hercule Poirot to unmask a murderer. Joyce, a hostile thirteen-year-old, boasts that she once witnessed a murder. When no one believes her, she storms off home. But within hours her body is found, still in the house, drowned in an apple-bobbing tub. That night, Hercule Poirot is called in to find the evil presence. But first he must establish whether he is looking for a murderer or a double murderer.
