

Tokyo Raider (The Grimnoir Chronicles)

With the Japanese Imperium at war with the Soviet Union, and the United States watching cautiously on the sidelines, Second Lieutenant Joe Sullivan of the U.S. Marines is sent on a dangerous mission to Tokyo. The Russians have Summoned a demon of epic proportions to attack the city, and all that stands in its deadly path is an untested Japanese super-robot. Now, Joe is at the controls, his gravity-spiking Power at the ready. But that is one huge, mean Demon.
