

Tolstoy or Dostoevsky

George Steiner's *Tolstoy or Dostoevsky* has become a classic among scholars of Russian literature. An essay in poetic and philosophic criticism that bears mainly on the Russian masters, Tolstoy or Dostoevsky deals also with larger themes: the epic tradition extending from Homer to Tolstoy; the continuity of a tragic world view from Oedipus Rex to King Lear and *The Brothers Karamazov*; the contrasts between the epic and dramatic modes, between irreconcilably opposed views of God and of history.
