

## Torn and Seduced: An Urban Fantasy Novel

Anjasa has been through the worst parts of hell and come back from it wounded but stronger. A trained assassin and courtesan, she's seen the worst in others and herself. She doesn't know what she wants, but she knows the things she needs. Companionship. Adventure. Fear. She needs to feel alive. When she meets the human noble, Loren, in the bar, she figured he'd be good for a night of fun. A place to sleep. Instead she finds an adventure that she can't turn away from, even though her instincts warn her of the terrible things to come.
