View our feature on Rachel Caines Total Eclipse. New York Times bestselling author of the Morganville Vampires novels Weather Warden Joanne Baldwin, her husband, the djinn David, and the Earth herself have been poisoned by a substance that destroys the magic that keeps the world alive. The poison is destabilizing the entire balance of power, bestowing magic upon those who have never had it, and removing it from those who need it. Its just a matter of time before the delicate balance of nature explodes into chaos-and doom.
