

Sacrifice: The Trysmoon Saga, Book 4

The battle for Echo Hold begins, the Uyumaak throwing their might at the fortress. The birth of the Holy Child draws near, and the Chalaine and Padra Athan try to prop up the HaUlrichs failing courage so he can face Mikkik when the time comes. Gen, still separated from the Chalaine, watches from a distance, fearing treachery, hoping he can save her from Mikkik and the incompetence of her cowardly husband. But when Mikkik finally arrives, the tormented god foists the biggest deception ever seen upon the unsuspecting peoples of Kihal. Only Gen and a few of his allies know the truth. The fate of Kihal rests upon their shoulders as Mikkik unleashes his fell creations to hunt them down and silence the living heart of the world.
