

## Tyrant Trouble: Mudflat Magic

First book of the Mudflat Magic series and winner of the EPPIE for Best Fantasy of the year. Claire flees from a Seattle crook to an Otherworld barbarian tyrant. Not a whole lot of improvement there. One threatens with a gun, the other swings a broadsword. Reviews: ... a delightful read. Phoebe Matthews creates her own secret world fraught with unknown dangers and magic. Debra Gaynor for ReviewYourBook.com
